

## The Warmth of Lasting Friendship;

### The Joy Remembrance Brings . . .

ONE BY ONE

One by one the sands are flowing, One by one the moments fall; Some are coming, some are going; Do not strive to grasp them all,

One by one thy duties wait thee -Let thy whole strength go to each, Let no future dreams elate thee, Learn thou first what these can teach,

One by one (bright gifts from heaven)
Joys are sent thee here below;
Take them readily when given Ready, too, to let them go.

One by one thy griefs shall meet thee;
Do not fear an armed band;
One will fade as others greet thee Shadows passing through the land,

Do not look at life's long sorrow; See how small each moment's pain; God will help thee for to-morrow, So each day begin again.

Every hour that fleets so slowly
Has its task to do or bear;
Luminous the crown, and holy,
When each gem is set with care.

Do not linger with regretting, Or for passing hours despond; Nor, thy daily toil forgetting, Look too eagerly beyond.

Hours are golden links, God's token, Reaching heaven; but, one by one, Take them, lest the chain be broken Ere the pilgrimage be done,

Adelaide Anne Procter

She talls for hours of Edgar Poe
And tells us stuff we oughta know.
She tries to make our grammar good,
To use them pronouns as we should.
And when she calls us to recite,
Them things we learnt just don't seem right,
And when she thinks we're awful dumb
And after school she makes us come
Into the room where we recite
Them words until it's almost night,
And then next day she gives a test
And we're the guys what flunks the best,

We the graduating class of 1970, with a touch of sadness and a heart full of appreciation, proudly dedicate the PIRATE to our beloved teacher and friend,

PRINCIPAL'S MESSAGE

It has been sixty-two years since the first student graduated from Pasco High School. Although there is no known 1907 Pasco High yearbook available, we can assume that there was a record of pictures and words which represented the deeds of that first small student body. The 1970 PIRATE depicts what has happened during the year to the largest and most recent student body at Pasco High School. This story is mingled with the challenge, wit, and tang of high school life. It is representative of the classrooms, clubs, and athletics. Moments of happiness, sadness, humility, as well as gains and honors, are vividity presented in this book. We know that everything cannot be included but I can assure you that the PIRATE staff has not spared any time or effort to do what they considered beneficial and worthwhile to the entire student body.

Dr. Wayne C. Malone

#### MR, LEROY McCLAIN - Assistant Principal

To the graduating seniors of 1970 may I take this opportunity to express to each of you my wishes for a successful and prosperous future. May your high school years serve as an accumulation of knowledge and experience upon which to formulate a solid foundation for building your careers,

perience upon which to formulate a solid foundation for building your careers, As a student at Pasco High School, you have written four years of history which will be followed and challenged by future graduating classes. May your accomplishments be an inspiration to those who follow.

#### MR. ALBERT SMITH - Director of Instruction

It is appropriate, I feel, to commend the class of 1970 and the staff of this publication on the diligent effort that I know has been applied to produce it. The impact of a student's total experience in education can best be evaluated only from the perspective of time. And I hope, as you reflect on Pasco High School, that you will be able to identify Pasco High as a school that contributed to your arrival at honorable, humane, and adult values and success in such endeavors.

FBLA OFFICERS FOR 1969-1970: President -Elaine Toler, Vice-President - Maude Johnson, Secretary - Gall Sheffler, Treasurer - Regima Henry, Reporter - Nore Wright, Sponsors - Mrs, Joan Pryor and Mr. Garnard Martin,

FBLA was organized for the purpose of assisting the business department in preparing their students for the business world by providing them with some economic understandings, social skills and civic responsibilities in which they must share in order to become prominent business people.

Our club has participated in Tom Wat fund raising drive, toured the computer system at University of South Florida, held banquets and picnics, had speakers from business address the group, attended the state and district meeting, entertained two state officers, revised the constitution, and had a hayride in the homecoming parade, in order to achieve these goals.

The club has been very active, and this is mostly due to the influence of our great sponsor, Mrs. Bertha Mc-Rillips. The senior members of the 1969–1970 F. T.
